## TIS THE SEASON TO GIVE!

By Laura Geffre, CEO

This time of year is always special to me. My husband and I married on December 11, 1999. We love the traditions and the feeling of family and community that December offers. We celebrate the birth of Jesus every December joyfully and are stirred in our hearts to show what that feeling looks like when we give to others. Throughout the years, we have donated and served in ways to help those in our community feel the love of December. Without community involvement, many would not share the same sentiment of the holidays as we have been so blessed to experience. At Informed Choices, Christmas spirit and community is imperative to help ensure our clients feel cared for and loved. We know many families struggle this time of the year, so we need help bolstering our maternity and baby supplies and procuring the necessary administrative supplies that will impact our clinic's productivity.

This year we want to offer you, the supporters of Informed Choices, something that will allow you to help us in a significant way. On the back of this newsletter, you will see our Christmas tree filled with items from our Christmas Wish List. On the tree are ten ornaments. Along side the tree are descriptions of what each numbered ornament represents. Giving these items is an opportunity for you to

help us run the clinic more efficiently and, in turn, support many families in our community.

We are ecstatic about how the Lord will stir and motivate your hearts to give. Your gifts will help us directly and will display the love you have for our community.

*“Each of you should give what you have decided in your heart to give, not reluctantly or under compulsion, for God loves a cheerful giver.”*

- 2 Corinthians 9:7

We are always in need of monetary donations, but many like the idea of giving a more tangible item. Please visit our website at <https://www.informed-choices.org/christmas-wishlist> to view the requested items, their details, and how to gift them.

We cannot thank you enough for your generosity. It keeps our lights on, keeps the mission moving forward, and continues providing the opportunity to *Support Women and Uphold Life*. THANK YOU!

We pray you are healthy and blessed now and during your days ahead.

*Wishing you a very Merry Christmas!*
